, Engineer.

PROTESTED by H.B.Beers, September 16th, 1916.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: deny the same on the ground that the applicant failed to submit evidence, as required by office letters dated August 9, 1917 and November 20, 1917, tending to show that surplus water exists in the source herein applied for, and on the further ground that an adverse report was made by a representative of this office on the application.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed _____ cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial use must be filed with State Engineer on or before _____

WITNESS MY HAND AND SEAL this 16th, day of February, 1918.

[Handwritten signature] State Engineer.
